

Where Can I Go to See the Salmonids?

Fact Sheet

Salmonids may be coming to a river or fish hatchery near you! Here are some places in California, Oregon, Washington, and Idaho where you can see salmon and steelhead. The best months to see salmon are July through October in Oregon, Washington, and Idaho; and October through February in California. Steelhead arrive later, December through March. Exact dates may vary, so call ahead before planning your visit.
